UPCOMING JOURNEY

The Inner Forest

DALI, YUNNAN · 6 DAYS, 5 NIGHTS · SOLO TRAVELLERS & SMALL GROUPS

Reconnect with your inner forest. Six days in a regenerative food forest at the foot of Cangshan: meditation, yoga and Chinese philosophy, hands in the soil and vegetarian meals from the garden. You stay in a private villa in the forest, each room with its own bathroom.

+ OPTIONAL EXTENDED JOURNEY TO OTHER PARTS OF CHINA

Dali, the hidden gem of China

Snow on the Cangshan peaks in winter, a lake that mirrors the sky, and mild days all year. The Chinese sum it up in four words, 风花雪月: wind, flowers, snow and moon. People from China's big cities move here for a slower life and call it 'Dalifornia'. Be one of the few travellers from abroad to experience the real Dali.
